Holiday time often means getting the family together for a photo. Here's a chance to have that picture taken with the family pet and help a good cause at the same time.

Paws To Angels Pet Loss Center and Services near North 117th Street and West Dodge Road in Omaha is hosting Family and Pet Portrait Day from 1-8 p.m. on Sunday, November 10th. Eighty percent of the proceeds go toward assisting Midwest Dog Rescue, Nebraska Boston Terrier Rescue, Nebraska Dachshund Rescue and Omaha Wags to Riches Rescue.

Appointments are required by emailing your preferred time to dogeventsomaha@gmail.com. For more information call 402-507-0585.
